### Notes:

PLANING → We will need to order AN960 JD1016 washers to make this happen  
 D2707's can be made from D2660's (D2660-11)

\* MKTG → Customers who have had problems should receive new tow rings

PLANING → Do not make any more D2707 tow rings until D2707 Rev. B is released

Rev. B

\*\* D2580/D2590 Skidtube Assemblies

\*\*\* When D2707 tow rings are added to 204/205 skidtube kits, PSI 9080 should be added to paperwork and extra hardware should be removed.
